CHANOS S.A.

CHANOS S.A. founded in 1927 a small factory in Thessaloniki. In year 1944 the factory moved ta Athens and changes its trade name to ''Athenian Umbrella Manufacturer''.

Since then **CHANOS S.A.** has grown to become one of the largest suppliers of rain umbrellas, rainwear accessories, parasols & beach items in Europe.

Technical innovation & fashion design are the heart of **CHANOS S.A.** ideology and use only the highest quality materials and exacting engineering standards before we hand-finish every product.

Our in-house fashion design studio and technical research deparment ensure that CHANOS S.A. continues to lead the industry.

When it comes to products for kids, marketing is a delicate balance between what the youngsters want and what parents determine is appropriate and safe. By appealing to both and by using creative innovation, CHANOS S.A. maintains the equilibrium between the product user, the kid, and the product purchaser, often the parent.
We offer a wide selection of branded umbrellas suitable for children.Quality and safety is of utmost importance & we are happy to say that all models comply with the highest safety standards.
